2wd	0	0	Shock : Off-Road Series, front & rear (lifted or OE ht)	99-9980-000		32

FOOTNOTES

Fitment Column Detail

- A. Shock kit recommended for optimal performance (or shock extender kit).
- B. Shock kit required (or shock extender kit).
- C. Upper lift control arm kit required.
- D. Camber kit recommended (for front optimal performance).
- E. Extended brake line kit recommended.
- F. Due to sag of OE coils, some customers will prefer coils with more drop.

- G. Wheel spacer kit required for use with wider-than-stock tires on stock rims.
- H. For use with shackles.
- J. Requires 17" wheel or larger.
- K. Requires 16x8" wheel or larger.
- L. Maximum tire size is 35"
- M. Must specify transmission.
- N. Must specify fuel type.
